

Tuesday p.m.

Hi Vicki & Jim,

Just a few minutes before I have to put away the "Food Stamp Department" so I'll write you a short note - How are things going back there? Has spring melted away the last vestiges of the snow? We had frost this morning and sunshine all day - so far at least - The peaches aren't open enough to get frosted yet - thank goodness!

The plum trees and forsythias are beautiful now - and daffodils, tulips etc are beginning to blossom - So spring cannot be far behind.

Ken and family will be up this weekend - He has the company's Blazs Home tickets for the weekend - So we'll get to see them again - Jerry has been staying with us for the past couple of weeks and commuting to his job in Clackamas - takes him 45 minutes - He will be looking for a place of his own again pretty soon, I imagine - He seems to have met a girl in Mos so that might bring him out on weekends anyway -

Did you ever get to go to N.J.? Love,  
Write soon - We love to hear! Mom & Dad
